MAKING IT UP AS ONE GOES ALONG

[Edited: 10.28 am, 7 March 2025]

Words are just descriptive-expressions that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular raison d'être. When one is living in the freedom of satya-advaita yoga, one necessarily makes up new words as one goes

along or adapts old words to meet a particular requirement in terms of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 27 years. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed these in the 345 eBooks that I have so far written in the series under the theme, 'The Allurement of Reality'. But I hope that no such clarifications would be necessary or me be called upon to answer: I wish to let my books do the talking, hence I am editing this post now that I have some free time. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words Samadhi and Mahasamadhi. I wish to make it clear at this point in time. For me Samadhi seemingly started on completion of my Book Truth-accommodation (Satya-advaita) and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it the Realisation is today. I had tried to consider numerous times during these years that I had had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not know what there is to Realise. It had to be awaited with patience. And I formulated a plan of self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the period 2020 or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as sanatan dharma, that is to say karma in sanatan dharma.

Mahasamadhi is total Realisation when one does stop one's karma in sanatan dharma and lives in Yoga-ananda, the yogadaan emanating from one's dedication to the comprehensive approach to yoga.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this has not changed at the moment that I first wrote this posted account at 10.37 am on the 12 of October 2021.

For those with elevated sleeping arrangements, consider a loft bed with curtain or a curtain loft bed, creating a fun and functional space. Our kiddies curtains, including popular kids curtains Dubai options, are designed to ignite imagination and provide a comfortable haven for your children.

Denitsa, you do know that I am a Vishista-advaitist? It is just that from my experience I have learnt that I when I connect with someone I have to clarify and emphasise that religion is the most important part of my psyche and in this regard I am a Vishista Advaitist. This prevents any misapprehensions from the very beginning. (Edited)

Dear Ali Dubai

## **04 April 2025: MODUS OPERANDI OF CONSERVATIVE LIBERTARIANS**

Hello Hope you are keeping well.

This Welcome Pack communication is just to welcome you to our Community of Conservative Libertarians.

The Conservative Libertarians (UK) is permitted by virtue of the fact that both its Membership Accounts are validated as things stand this moment in time for these are funded by the Conservative Libertarian Publications Limited and the Membership accounts are held at JOIN IT and Brilliant Directories: this means that the Company can proceed with a business as usual modus operandi, in the absence of an adjudication from the Court authorities specifically who were approached by the Director at Medway County Court (Claim J00ME572) and Central London County Court (Claim E35YM660) and the Appeal of these Court proceedings at the Court of Appeal of the United Kingdom (Appeal Case No CA-2023-000750). who are copied into this email for jurisdiction-ascertaining purposes.

The technical details of what the institution of Conservative Libertarians stand for are as follows: There are so many things wrong with the deeply and multi-polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b) For those people of other countries who share the philosophy of Conservative Libertarians you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

**Comments:**

No messages have come back in LinkedIn from those to whom I had sent texts this morning, and no new ones can interfere with the legal process by accepting an existing invitation because I had withdrawn the remaining invitations yesterday evening. So the only communication can come in the website which will legitimise the correspondence sent by email to the State authorities who are clearly not disputing that it has secretly operated all along against me from behind the scenes in all kinds of ways.

Your ref

Dear Dr Panigrahi

Your complaint

Thanks for getting in touch. We've set up a case for you – the reference number is PNX-5431495-M4N8. Please use this number whenever you contact us.

We are a free service set up to resolve disputes with financial businesses, like banks or insurance companies that are regulated by the Financial Conduct Authority (FCA). We can't help with other complaints – for example, about utility companies, council tax or legal services. You can use our website, as well as our complaint checker tool to find more information about other organisations that may be able to help you - but they are completely separate from the Financial Ombudsman Service.

We'd like to look into what's happened and see what we can do to help. We just need some details from you first.

What we need

Please fully complete each section of the included complaint form, sign the declaration, provide as much details as possible about what your complaint is about and send the form back to us – along with copies of anything else you think is important to your complaint, including full copies of all correspondence received from the business so that we may assess the correct action to be taken.

Please note that we would require the account holder or policy holders' details to be provided as the complainant on the complaint form.

If you are representing the complainant, we would require you to complete the section 'Representative information' and arrange for the complainant to wet sign (sign with a pen) the declaration before sending the completed complaint form back to us.

I have attached a blank complaint form, please fully complete this for any additional complaints. You are required to register an official complaint against each business. Once you

receive the final response letter from each business and you remain unhappy with the outcome, please get back in touch so that we can progress your complaints.

We would need to set up each complaint separately, once we receive your completed complaint form and final responses, we will provide you with a new reference number for each complaint.

We would like to make you aware that we can only look into complaints where you have received a final response letter from the business you are complaining about, or where the business hasn't responded within eight weeks of your official complaint being registered with them. If you submit a complaint to us before this, we won't be able to get involved and it will take us a lot longer to progress your complaint.

If you have evidence of your official complaint being registered with the business and you have received an acknowledgement from them, please send us copies of both these letters. If you sent your complaint to them via email, please could you forward the entire email on to us plus the email from the business acknowledging your complaint as we need to see the dates these were issued. Please note, if we review the document and deem it not to be evidence of raising a complaint, we may advise you to raise an official complaint with the business.

If you have received the final response letter from the business, please can you send us a full copy of that too. The final response letter will contain wording along the lines of: 'if you remain unhappy with our findings, you have six months from the date of our correspondence to refer your complaint to the Financial Ombudsman Service...'. If you received this via email, please could you forward the entire email on to us as we need to see the date it was issued.

There's no need to send us any original documents. Once we receive the requested information, we'll be in touch about what happens next.

If you'd like to talk through this, please give us a call on 0800 023 4567.

You can return the complaint form and any other documents to us by email at [complaint.info@financial-ombudsman.org.uk](mailto:complaint.info@financial-ombudsman.org.uk), or by post.

In the meantime, you can find out more about what to expect on our website - <https://www.financial-ombudsman.org.uk/consumers/expect>.

Please reply by 2 May 2025, using the reference number above. Just so you know, we won't take the complaint any further until we hear from you.

Kind regards

## Complainant privacy notice

This privacy notice summarises what to expect us to do with your personal information when you contact us or bring a complaint to our service. A more detailed version of this privacy notice is available on our website.

### About us

The Financial Ombudsman Service is a free and easy-to-use service that settles complaints between complainants and businesses that provide financial services. You can contact us here. We use your personal information to investigate and resolve individual complaints and prevent unfairness. We also analyse complaints data to make our services and processes more effective for you and others. More detail is set out in the 'Why we process your personal information' section.

### The personal information we use

Personal information means information that is about an individual or can identify them in some way. The amount and type of personal information we process varies depending on the individual circumstances of the complaint and why we are processing personal information. Examples of the type of information we process are your name, date of birth, financial details, phone recordings and special category data, such as health information.

### How we collect personal data

We have a range of channels that individuals can use to get in contact with us. Generally, we receive personal information from the individual directly, their representative or from the financial business the complaint is against. But sometimes, where it is necessary for resolving a complaint or fulfilling our legal functions, we may also gather information from other individuals or organisations, such as a loss adjuster hired by an insurance company, a medical expert or a credit reference agency.

### Why we process personal information

We primarily collect and process personal information to investigate and resolve individual complaints brought to our service and respond to enquiries and redirect individuals to the correct organisation if necessary. In addition to this we also process personal data in the following way:

- Prevent complaints and unfairness
- Improve the effectiveness of our service and processes
- Meeting your needs and making adjustments
- Work with the regulator and other bodies
- Dealing with contact you may make with us through social media
- Complying with a legal duty.

We have a legal obligation to publish final decisions made by our ombudsmen. These are published on our website. We remove the name of the person making the complaint as well as any other personal information that would be likely to identify them.

We conduct regular surveys to understand your views on the service we have provided to you. You can let your Investigator know at any time if you do not want us to contact you for our surveys.

Who we share personal information with?

We will not share your information with anyone for the purpose of direct marketing. We will not sell your data.

When an enquiry is brought to us, we need to contact the financial business and make them aware that an enquiry has been received and ask them what has happened so far. The personal details of the complainant, any representative and details of the complaint are shared during this initial process.

In order to investigate a complaint, we need to share information with both parties of the complaint to get both sides of the story. Sometimes, depending on the nature of the complaint, we may also need to share relevant information with other individuals or organisations, for example: another financial business, medical experts or credit reference agencies.

If you have a complaint about the standard of service we've provided to you, and we've not been able to resolve this, you can ask the Independent Assessor to investigate this complaint. We will pass on relevant details to the Independent Assessor so that they can investigate and respond to your service complaint.

Lawful bases for processing personal information

The law on data protection sets out a number of different reasons for which an organisation may collect and process your personal information.

Our lawful basis for processing personal information will usually be because it's necessary for our statutory function, a reason of substantial public interest or compliance with our legal obligations. On those occasions where we are not relying on any of the above, we will ensure that a suitable alternative lawful basis is used, which is likely to be where the processing is in our legitimate interests.

Where your data is processed and stored

We store your personal information in the UK or the European Union (EU). Our technical support teams in India may process your information to provide technical advice and assistance.

Where we allow access to your information from countries outside the UK, we ensure that we comply with all our data protection obligations.

How we store personal information and for how long

We know that data security is important to us all. When we receive personal information, we take steps to ensure that it is stored securely, both physically and electronically, in accordance with the internal policies that we have in place for the effective and secure processing of your personal information. We will keep your case file for 6 years after your case closes (or 3 years if we did not go on to fully investigate your case or if we transferred your case to another organisation). Paper documents sent by post are destroyed 6 months after the date they are scanned into our system. More information is in Annex A here.

What are your rights over your personal information?

Under data protection law, you have rights we need to make you aware of. The rights available to you depend on our reason for processing your information. Details of each of these rights are set out in Annex B here.

Complainant privacy notice

This privacy notice summarises what to expect us to do with your personal information when you contact us or bring a complaint to our service. A more detailed version of this privacy notice is

available on our website.

About us

The Financial Ombudsman Service is a free and easy-to-use service that settles complaints between complainants and businesses that provide financial services. You can contact us [here](#). We use your personal information to investigate and resolve individual complaints and prevent unfairness. We also analyse complaints data to make our services and processes more effective for you and others. More detail is set out in the 'Why we process your personal information' section.

The personal information we use

Personal information means information that is about an individual or can identify them in some way. The amount and type of personal information we process varies depending on the individual circumstances of the complaint and why we are processing personal information. Examples of the type of information we process are your name, date of birth, financial details, phone recordings and special category data, such as health information.

How we collect personal data

We have a range of channels that individuals can use to get in contact with us. Generally, we receive personal information from the individual directly, their representative or from the financial business the complaint is against. But sometimes, where it is necessary for resolving a complaint

or fulfilling our legal functions, we may also gather information from other individuals or organisations, such as a loss adjuster hired by an insurance company, a medical expert or a credit reference agency.

Why we process personal information

We primarily collect and process personal information to investigate and resolve individual complaints brought to our service and respond to enquiries and redirect individuals to the correct organisation if necessary. In addition to this we also process personal data in the following way:

- Prevent complaints and unfairness
- Improve the effectiveness of our service and processes
- Meeting your needs and making adjustments
- Work with the regulator and other bodies
- Dealing with contact you may make with us through social media

- Complying with a legal duty.

We have a legal obligation to publish final decisions made by our ombudsmen. These are published on our website. We remove the name of the person making the complaint as well as any other personal information that would be likely to identify them.

We conduct regular surveys to understand your views on the service we have provided to you. You can let your Investigator know at any time if you do not want us to contact you for our surveys.

Who we share personal information with?

We will not share your information with anyone for the purpose of direct marketing. We will not sell your data.

When an enquiry is brought to us, we need to contact the financial business and make them aware that an enquiry has been received and ask them what has happened so far. The personal details of Financial Ombudsman Service – Complaint form 8

the complainant, any representative and details of the complaint are shared during this initial process.

In order to investigate a complaint, we need to share information with both parties of the complaint to get both sides of the story. Sometimes, depending on the nature of the complaint, we may also need to share relevant information with other individuals or organisations, for example: another financial business, medical experts or credit reference agencies.

If you have a complaint about the standard of service we've provided to you, and we've not been able to resolve this, you can ask the Independent Assessor to investigate this complaint. We will pass on relevant details to the Independent Assessor so that they can investigate and respond to your service complaint.

Lawful bases for processing personal information

The law on data protection sets out a number of different reasons for which an organisation may collect and process your personal information.

Our lawful basis for processing personal information will usually be because it's necessary for our statutory function, a reason of substantial public interest or compliance with our legal obligations.

On those occasions where we are not relying on any of the above, we will ensure that a suitable alternative lawful basis is used, which is likely to be where the processing is in our legitimate interests.

Where your data is processed and stored

We store your personal information in the UK or the European Union (EU). Our technical support teams in India may process your information to provide technical advice and assistance.

Where we allow access to your information from countries outside the UK, we ensure that we comply with all our data protection obligations.

How we store personal information and for how long

We know that data security is important to us all. When we receive personal information, we take steps to ensure that it is stored securely, both physically and electronically, in accordance with the internal policies that we have in place for the effective and secure processing of your personal information. We will keep your case file for 6 years after your case closes (or 3 years if we did not go on to fully investigate your case or if we transferred your case to another organisation). Paper

documents sent by post are destroyed 6 months after the date they are scanned into our system.

More information is in Annex A here.

What are your rights over your personal information?

Under data protection law, you have rights we need to make you aware of. The rights available to you depend on our reason for processing your information. Details of each of these rights are set out in Annex B here.

What to do if you're unhappy with how we've handled your personal information

If you have any questions about this notice or are concerned about how we are processing your personal data, you can contact our Data Protection Officer at: [data.protection@financial-ombudsman.org.uk](mailto:data.protection@financial-ombudsman.org.uk). Details of how to raise a complaint are available [here](#).

Dear Financial Ombudsman

1. In my email to you of 2 April 7.06 am as attached ( ToFinancialOmbudsman(It Is Now or Never\_JurisdictionSubliminalorJudicial)02Apr2025.docx), I had asked you to clarify the procedures in terms of the Constitution of the United Kingdom through which the Financial Ombudsman entertains complaints against Banks from citizens and as you are aware I have complaints against 6 Banks that are outstanding in terms of assessment that you are required to make, not this one unspecified Bank institution. You have seemingly conveniently ignored the issues that I raised before the micro-level investigations can take place; and similarly the Courts of the United Kingdom have also conveniently to play a role in the cover-up not responded to my representations as attached:

(a) ToCAMBAppeals(CourtOfAppeal)APPEAL CASE REFERENCE NUMBER CA-2023-000750)3Apr2025.pdf

(b) ToCourtOfAppeal(CASE PROGRESSION OF APPEAL CA-2023-000750)3Apr2025.docx

(c) ToCMSBCrtOfAppealCenonCtyCrtMedCtycrtAliDubai(Welcome Pack Distribution of the Conservative LibertariansJURISDICTION-ASCERTAINING)4Apr2025.docx

2. My question to the Financial Ombudsman is right now: how long are you all going to keep the people of the United Kingdom in the hell of darkness on how the Constitution functions? Specifically, who has the powers to order these 6 Banks to pay me the £500 million in damages and compensation for the 26 years of police brutality in terms of pointless 6 arrests of myself, incarceration in mental hospitals twice, victimisation by depriving me and my family of my severance pay from the University of Greenwich, MI5/MI6 engineered terrorism in criminal anonymous emails sent to me my family and my associates and the terroristic spamming of our Landline Phone, my Mobile Phone, my websites, religious persecution for living to the norms of Hindu dharma, obstruction of justice by awarding £4170 in costs to the Defendant to the Prime Minister through deliberate perverting of the Course of Justice; all taking place during the past 27 years?

3. If the Medway County Court, the Central London County Court and the Court of Appeal did not have jurisdiction to consider these matters, is it the case that the Financial Ombudsman then has this remit?

I look forward to your reply immediately on the Friday of the week.

Yours sincerely

Dear Dr Panigrahi

Your complaint

Thanks for getting in touch. We've set up a case for you – the reference number is PNX-5431495-M4N8. Please use this number whenever you contact us.

We are a free service set up to resolve disputes with financial businesses, like banks or insurance companies that are regulated by the Financial Conduct Authority (FCA). We can't help with other complaints – for example, about utility companies, council tax or legal services.

You can use our website, as well as our complaint checker tool to find more information about other organisations that may be able to help you - but they are completely separate from the Financial Ombudsman Service.

We'd like to look into what's happened and see what we can do to help. We just need some details from you first.

What we need

Please fully complete each section of the included complaint form, sign the declaration, provide as much details as possible about what your complaint is about and send the form back to us – along with copies of anything else you think is important to your complaint, including full copies of all correspondence received from the business so that we may assess the correct action to be taken.

Please note that we would require the account holder or policy holders' details to be provided as the complainant on the complaint form.

If you are representing the complainant, we would require you to complete the section 'Representative information' and arrange for the complainant to wet sign (sign with a pen) the declaration before sending the completed complaint form back to us.

I have attached a blank complaint form, please fully complete this for any additional complaints. You are required to register an official complaint against each business. Once you receive the final response letter from each business and you remain unhappy with the outcome, please get back in touch so that we can progress your complaints.

We would need to set up each complaint separately, once we receive your completed complaint form and final responses, we will provide you with a new reference number for each complaint.

We would like to make you aware that we can only look into complaints where you have received a final response letter from the business you are complaining about, or where the business hasn't responded within eight weeks of your official complaint being registered with them. If you submit a complaint to us before this, we won't be able to get involved and it will take us a lot longer to progress your complaint.

If you have evidence of your official complaint being registered with the business and you have received an acknowledgement from them, please send us copies of both these letters. If you sent your complaint to them via email, please could you forward the entire email on to us plus the email from the business acknowledging your complaint as we need to see the dates these were issued. Please note, if we review the document and deem it not to be evidence of raising a complaint, we may advise you to raise an official complaint with the business.

If you have received the final response letter from the business, please can you send us a full copy of that too. The final response letter will contain wording along the lines of: 'if you remain unhappy with our findings, you have six months from the date of our correspondence to refer your complaint to the Financial Ombudsman Service...'. If you received this via email, please could you forward the entire email on to us as we need to see the date it was issued.

There's no need to send us any original documents. Once we receive the requested information, we'll be in touch about what happens next.

If you'd like to talk through this, please give us a call on 0800 023 4567.

You can return the complaint form and any other documents to us by email at [complaint.info@financial-ombudsman.org.uk](mailto:complaint.info@financial-ombudsman.org.uk), or by post.

In the meantime, you can find out more about what to expect on our website - <https://www.financial-ombudsman.org.uk/consumers/expect>.

Please reply by 2 May 2025, using the reference number above. Just so you know, we won't take the complaint any further until we hear from you.

Dear Financial Ombudsman

You do appreciate that we all need to know what the Constitution of the United Kingdom is before conducting micro-level investigations with Ombudsmen taking over effectively the judicial role unless that is what the Constitution of the United Kingdom states subliminally.

In this regard, I am still in the process of determining how the judicial and law enforcement systems of the State of the United Kingdom functions and whilst I had misgivings earlier on that I was being discriminated against, a final decision can only be made by a Judge sitting in a Court who accepts that he or she has jurisdiction to assess the complications of this 27 year long Dispute that I have battled to stay afloat through.

At the point in time of sending you this email, I have three possibilities of court-proceedings that I initiated to seek material justice (J00ME572 at Medway County Court with a District Judge officiating), E35YM660 at the Central London County Court with a Circuit Judge officiating, and the CA-2023-000750 which is an Appeal process to the first two that is not converted to a full judicial process).

If the Financial Ombudsman knows where my litigations lie if at all they exist, I will be grateful if I am informed of this: it is now or never, as far as I am concerned.

Yours sincerely

Your Honour

These prods or worse, terroristic intrusions, give me the impression that 'perhaps it is never up, so publishing is essential to get it into the Court of Public Opinion and so that the State formulates an offence on the basis of these pre-emptive defences lodged', as updated in the link:

### **The End is Nigh for the Persecutors, the unjust State Establishment**

in General Discussion

<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/the-end-is-nigh-for-the-persecutors-the-unjust-state-establishment>

I have explored all possibilities within the Constitution of the United Kingdom as to what is possible and what is not possible in mounting litigations and private prosecutions by a citizen against the Police for unjustified intrusions into our lives and it has become clear that the Police have unlimited powers to do what they wish to do, rightly or wrongly.

There is however the question of justice, when a person feels aggrieved that the Police have overstepped the boundaries of civil decency and one harbours a grudge in that the Constitution has failed to maintain a sense of proportion when dealing with the fact that the ideal way to be remains for me to represent myself to the world as a Conservative Libertarian.

The Police have not accepted this as the Establishment of the United Kingdom wishes everyone to fall into line to what it demands from the people. All my efforts to litigate Kent Police in the Kings Bench of the High Court under Claim No HQ17X01773 and subsequently under an Injunction application against the Chief Constable of Kent Police at Medway County Court under J00ME572 were thwarted. Similarly the private prosecution of Kent Police and the Crown Prosecution Service at East Kent Magistrates Court and Maidstone Crown Court both denied me the opportunity to highlight the shortcomings on the Police, if not wilful persecution that I had contended the State Establishment to have perpetrated on me going on to two decades since the University of Greenwich dismissed me from my scientific career without paying me my £55,000 redundancy payment.

The secretive Establishment of the United Kingdom established a fictitious organisation called Victims of Panigrahi Association (VOPA) to terrorise me with over 600 criminal anonymous emails sent to me, my wife, my relatives in India, my Consultant Psychiatrist, and other associates including members of staff of the Conservative and Unionist Party, staff of BLM Law, bp, educational establishments and my psychotherapist to disrupt my quest for justice by setting me up for mental hospital incarceration again after two such episodes of 2004 and 2008. All my efforts to get the Mental Health Tribunal to assess my mental condition to declare me

sane failed and I still received on the report of the Consultant Psychiatrist last week that I have paranoid schizophrenia to be treated with mental health medications.

I finally decided that the Prime Minister of the United Kingdom had to be made accountable for the state of affairs with the Medical, Judicial and Law Enforcement processes of the United Kingdom and issued a Claim at the Central London County Court under E35YM660 to try and prove that the government was entirely to blame for not intervening on my behalf on the matter.

I could not get a Hearing of my grievances no matter how hard I tried, so that the State Establishment had apparently succeeded in quelling my bid for justice on the material front after the 26 years of struggle to fight for my reputation as a clean, honest and well-meaning individual.

But something happened on 5 October 2022 when I was caught speeding along the Boxley Road near Maidstone on the A229, which I attempted to discharge with the Speed Awareness Course and paid £92 for booking the Course on 11 January 2023. Later I wished to delay the Course because of legal proceedings that I had been embroiled in, but Kent Police would have none of it and cancelled the Course without refunding the £92 Course Fee. Barclays Bank has sent me detailed print out of my Bank Statements since that date to prove that the money was not refunded. I refused to pay the Fine for the Conditional Fixed Penalty Notice that Kent Police insisted. It organised a summons referral to Court for which a Hearing date has been fixed for 10 November 2023 2 pm.

I have written to North Kent Magistrates Court as in the link above to arrange a Conferencing Video Hearing, but the Court has not responded. I have also said to the Court that the Speeding Offence discharge matter is conflated with the wider victimisation and persecution of myself by the secretive State Establishment, and this is now something that I have factual evidence for after having been arrested five times with a sixth voluntary interview as a suspect for having committed offences like stalking, harassing and sending malicious communications to people and institutions. Kent Police manipulated the proceedings in complicity with the Community Mental Health Team over this period and the Duty Solicitors appointed for me in the interviews that took place since 16 September 2021.

So this morning I am determined that I will go to the Hearing on 10 November 2023 at 2 pm having accumulated all the evidence that I need now to explain the mitigating circumstances and the factual basis of the Case against me that has established the Trial of myself for the Speeding Offence of 5 October 2022.

Thus, the secretive Establishment has lost in that it is now fully exposed in a Court of law, having tried for 26 years to cover up the workplace harassment on me and the denial of my severance payment by the University of Greenwich.

Your Honour

These prods or worse, terroristic intrusions, give me the impression that 'perhaps it is never up, so publishing is essential to get it into the Court of Public Opinion and so that the State formulates an offence on the basis of these pre-emptive defences lodged', as updated in the link:

Please take a swift decision on Directions or Summary Judgment as the Costs for the Claimant is bound to increase further from the present £500 million from the UK-Treasury.

The End is Nigh for the Persecutors, the unjust State Establishment  
in General Discussion

<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/the-end-is-nigh-for-the-persecutors-the-unjust-state-establishment>

I have explored all possibilities within the Constitution of the United Kingdom as to what is possible and what is not possible in mounting litigations and private prosecutions by a citizen against the Police for unjustified intrusions into our lives and it has become clear that the Police have unlimited powers to do what they wish to do, rightly or wrongly.

There is however the question of justice, when a person feels aggrieved that the Police have overstepped the boundaries of civil decency and one harbours a grudge in that the Constitution has failed to maintain a sense of proportion when dealing with the fact that the ideal way to be remains for me to represent myself to the world as a Conservative Libertarian.

The Police have not accepted this as the Establishment of the United Kingdom wishes everyone to fall into line to what it demands from the people. All my efforts to litigate Kent Police in the Kings Bench of the High Court under Claim No HQ17X01773 and subsequently under an Injunction application against the Chief Constable of Kent Police at Medway County Court under J00ME572 were thwarted. Similarly the private prosecution of Kent Police and the Crown Prosecution Service at East Kent Magistrates Court and Maidstone Crown Court both denied me the opportunity to highlight the shortcomings on the Police, if not wilful persecution that I had contended the State Establishment to have perpetrated on me going on to two decades since the University of Greenwich dismissed me from my scientific career without paying me my £55,000 redundancy payment.

The secretive Establishment of the United Kingdom established a fictitious organisation called Victims of Panigrahi Association (VOPA) to terrorise me with over 600 criminal anonymous emails sent to me, my wife, my relatives in India, my Consultant Psychiatrist, and other associates including members of staff of the Conservative and Unionist Party, staff of BLM Law, bp, educational establishments and my psychotherapist to disrupt my quest for justice by setting me up for mental hospital incarceration again after two such episodes of 2004 and 2008. All my efforts to get the Mental Health Tribunal to assess my mental condition to declare me sane failed and I still received on the report of the Consultant Psychiatrist last week that I have paranoid schizophrenia to be treated with mental health medications.

I finally decided that the Prime Minister of the United Kingdom had to be made accountable for the state of affairs with the Medical, Judicial and Law Enforcement processes of the United Kingdom and issued a Claim at the Central London County Court under E35YM660 to try and prove that the government was entirely to blame for not intervening on my behalf on the matter.

I could not get a Hearing of my grievances no matter how hard I tried, so that the State Establishment had apparently succeeded in quelling my bid for justice on the material front after the 26 years of struggle to fight for my reputation as a clean, honest and well-meaning individual.

It organised a summons referral to Court for which a Hearing date has been fixed for 10 November 2023 2 pm.

Dear Ali Dubai

04 April 2025: MODUS OPERANDI OF CONSERVATIVE LIBERTARIANS

Hello Hope you are keeping well.

This Welcome Pack communication is just to welcome you to our Community of Conservative Libertarians.

The Conservative Libertarians (UK) is permitted by virtue of the fact that both its Membership Accounts are validated as things stand this moment in time for these are funded by the Conservative Libertarian Publications Limited and the Membership accounts are held at JOIN IT and Brilliant Directories: this means that the Company can proceed with a business as usual modus operandi, in the absence of an adjudication from the Court authorities specifically who were approached by the Director at Medway County Court (Claim J00ME572) and Central London County Court (Claim E35YM660) and the Appeal of these Court proceedings at the Court of Appeal of the United Kingdom (Appeal Case No CA-2023-000750). who are copied into this email for jurisdiction-ascertaining purposes.

The technical details of what the institution of Conservative Libertarians stand for are as follows: There are so many things wrong with the deeply and multi-polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b For those people of other countries who share the philosophy of Conservative Libertarians you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

Dear Dr Panigrahi

The Conservative Libertarian Publications Limited's complaint about Stripe Payments UK Limited

Thanks for getting in touch with the Financial Ombudsman Service. We've set up a case for you – the reference number is PNX-5264338-J6D2. Please use this number whenever you contact us.

Before we can get involved, Stripe Payments UK Limited needs a chance to give you an answer on your complaint.

We can only look into complaints where you've received a final response letter from the business you're complaining about, or where the business hasn't responded within our time limits. If you submit a complaint to us before this, we won't be able to get involved and it will take us a lot longer to progress your complaint.

What you'll need to do

You should complain directly to Stripe Payments UK Limited, explaining what the problem is, and how you'd like them to put things right.

If you've already complained to Stripe Payments UK Limited, in most cases they have up to eight weeks, to look into your complaint and issue their final response, depending on what you're complaining about. You should keep a record of when you complain to them, and any other correspondence or conversations.

In the meantime, you can find out more about how to complain on our website.

When you've heard back from the business – or eight weeks have passed from the date you first complained – if you remain unhappy, get back in touch using our online form or call us on 0800 023 4567 and we'll let you know how we can help.

We won't take the complaint any further at this stage.

Kind regards

Dear Stripe

Rightly or wrongly I was complaining that Stripe Payments Limited Ltd had terrorised me to sabotage The Conservative Libertarian Publications Limited for a period of 9 months from July 2024 to March 2025 partly in collaboration with JOIN It Company before my complaints to the Financial Ombudsman and the publishing of this seeming terror on me seemed to have facilitated the existence of my two Stripe Accounts for JOIN IT and BRILLIANT DIRECTORIES; so this is some compensation now that the red herring of Charity Registration has been disposed off (FrStripe(Duplicitous &DeceitfulPrevarication with no substance email)28Dec2024.docx attached).

The following correspondence did not also receive an explanation of Stripe Contact Support Dispute Deposition of 30 December 2024.docx to exacerbate my suspicions about Stripe working in collusion with the Monarchial State Establishment.

As you can see from the attached email ToFinancial Ombudsman (It is now or never\_JurisdictionSubliminalorJudicial)2Apr2025.docx, I hope to receive some clarification from Stripe as to the way this Dispute should proceed.

Yours sincerely

I am utterly at the end of my tether with these confusing emails and no action from Stripe to what really matters to keep our business in tip-top condition. Stripe reported to me that all outstanding issues had been satisfied but the Connect problem persists at Join it. The Medway County Court is unable or unwilling to find out who the culprits are that are hell-bent to destroy my Company - kindly refer to the links below:

I had suggested to Stripe that the Monarchical Establishment has organised and manipulated each and every torturous suffering that I have endured to simply practice my peaceful religion of Vishista Advaita. And Stripe has kept silent.

This is Stripe's final opportunity to rectify my JOIN IT website's functionality and I hope that the Brilliant Directories website is not similarly affected.

Dear Financial Ombudsman

You do appreciate that we all need to know what the Constitution of the United Kingdom is before conducting micro-level investigations with Ombudsmen taking over effectively the judicial role unless that is what the Constitution of the United Kingdom states subliminally.

In this regard, I am still in the process of determining how the judicial and law enforcement systems of the State of the United Kingdom functions and whilst I had misgivings earlier on that I was being discriminated against, a final decision can only be made by a Judge sitting in a Court who accepts that he or she has jurisdiction to assess the complications of this 27 year long Dispute that I have battled to stay afloat through.

At the point in time of sending you this email, I have three possibilities of court-proceedings that I initiated to seek material justice (J00ME572 at Medway County Court with a District Judge officiating), E35YM660 at the Central London County Court with a Circuit Judge officiating, and the CA-2023-000750 which is an Appeal process to the first two that is not converted to a full judicial process).

If the Financial Ombudsman knows where my litigations lie if at all they exist, I will be grateful if I am informed of this: it is now or never, as far as I am concerned.

Yours sincerely

Thank you for contacting the Financial Ombudsman Service, we are a free service set up to resolve disputes with financial businesses, like banks or insurance companies. We're helping a lot of customers at the moment, so I'm sorry we won't be able to reply straight away.

If you're contacting us about a new complaint

You can find out more about the things we can help with on our website – where you can also use our complaint checker tool to see if your complaint is one we can look at.

If we can help, we will get back to you within 7 days. Due to the volume of enquiries we receive, we are only able to reply to those customers we can help.

If you already have a complaint with us

We'll contact you once your complaint is with a case-handler.

However, if you're experiencing serious financial or health problems, or need to speak to someone urgently, please call us on 0800 023 4567.

If we are not able to help you

We can only look at complaints about financial businesses (like banks, insurance companies and finance firms). We can't help with other complaints – for example, about phone and utility companies, council tax or legal services. Please look at our website for more information about other organisations that may be able to help – but they are completely separate from the Financial Ombudsman Service

And just to remind you again, if we can help, we will get back to you within 7 days.

### 17.07 pm (UK-Time) 04 April 2025

Updated this book in Internet Archive and in The Allurement of Reality in Review Shop to the introduction of: 'Working it out is never easy and it is not easy now on this Friday evening: if in doubt, publish'.

Deleted a Daily Bulletin email notification together with the Spam post and three other prods on website to develop SEO type services.

Then I was looking to see if I could extend my Membership of Reform UK on its website using my aol email address, but found that my access to the site remains blocked.

Zain Arain had posted a comment and I spent time disposing off several such posts to try and tidy up the website The Conservative Libertarian Society. However, I found that my internal comments to the offending people like Zain Arain got sent to my Gmail Account by Wix automatically as follows:

In respect of the non-recognition of my evidence to the Financial Ombudsman as attached; ToFinancialOmbudsman(JURISDICTION REMIT ISSUES OF THE CONSTITUTION)04Apr2025.pdf perhaps Your Honour can clarify the Constitution for me and the rest of the population of the United Kingdom.

Dear Financial Ombudsman

1. In my email to you of 2 April 7.06 am as attached ( ToFinancialOmbudsman(It Is Now or Never\_JurisdictionSubliminalorJudicial)02Apr2025.docx), I had asked you to clarify the

procedures in terms of the Constitution of the United Kingdom through which the Financial Ombudsman entertains complaints against Banks from citizens and as you are aware I have complaints against 6 Banks that are outstanding in terms of assessment that you are required to make, not this one unspecified Bank institution. You have seemingly conveniently ignored the issues that I raised before the micro-level investigations can take place; and similarly the Courts of the United Kingdom have also conveniently to play a role in the cover-up not responded to my representations as attached:

(a) ToCAMBAppeals(Court of Appeal)APPEAL CASE REFERENCE NUMBER CA-2023-000750)3Apr2025.pdf

(b) ToCourt of Appeal(CASE PROGRESSION OF APPEAL CA-2023-000750)3Apr2025.docx

(c) ToCMSBCrtofAppealCenonCtyCrtMedCtycrtAliDubai(Welcome Pack Distribution of the Conservative Libertarians JURISDICTION-ASCERTAINING)4Apr2025.docx

2. My question to the Financial Ombudsman is right now: how long are you all going to keep the people of the United Kingdom in the hell of darkness on how the Constitution functions? Specifically, who has the powers to order these 6 Banks to pay me the £500 million in damages and compensation for the 26 years of police brutality in terms of pointless 6 arrests of myself, incarceration in mental hospitals twice, victimisation by depriving me and my family of my severance pay from the University of Greenwich, MI5/MI6 engineered terrorism in criminal anonymous emails sent to me my family and my associates and the terroristic spamming of our Landline Phone, my Mobile Phone, my websites, religious persecution for living to the norms of Hindu dharma, obstruction of justice by awarding £4170 in costs to the Defendant to the Prime Minister through deliberate perverting of the Course of Justice; all taking place during the past 27 years?

3. If the Medway County Court, the Central London County Court and the Court of Appeal did not have jurisdiction to consider these matters, is it the case that the Financial Ombudsman then has this remit?

I look forward to your reply immediately on the Friday of the week.

Yours sincerely

Dear Dr Panigrahi

Your complaint

Thanks for getting in touch. We've set up a case for you – the reference number is PNx-5431495-M4N8. Please use this number whenever you contact us.

We are a free service set up to resolve disputes with financial businesses, like banks or insurance companies that are regulated by the Financial Conduct Authority (FCA). We can't help with other complaints – for example, about utility companies, council tax or legal services.

You can use our website, as well as our complaint checker tool to find more information about other organisations that may be able to help you - but they are completely separate from the Financial Ombudsman Service.

We'd like to look into what's happened and see what we can do to help. We just need some details from you first.

What we need

Please fully complete each section of the included complaint form, sign the declaration, provide as much details as possible about what your complaint is about and send the form back to us – along with copies of anything else you think is important to your complaint, including full copies of all correspondence received from the business so that we may assess the correct action to be taken.

Please note that we would require the account holder or policy holders' details to be provided as the complainant on the complaint form.

If you are representing the complainant, we would require you to complete the section 'Representative information' and arrange for the complainant to wet sign (sign with a pen) the declaration before sending the completed complaint form back to us.

I have attached a blank complaint form, please fully complete this for any additional complaints. You are required to register an official complaint against each business. Once you receive the final response letter from each business and you remain unhappy with the outcome, please get back in touch so that we can progress your complaints.

We would need to set up each complaint separately, once we receive your completed complaint form and final responses, we will provide you with a new reference number for each complaint.

We would like to make you aware that we can only look into complaints where you have received a final response letter from the business you are complaining about, or where the business hasn't responded within eight weeks of your official complaint being registered with them. If you submit a complaint to us before this, we won't be able to get involved and it will take us a lot longer to progress your complaint.

If you have evidence of your official complaint being registered with the business and you have received an acknowledgement from them, please send us copies of both these letters. If you sent your complaint to them via email, please could you forward the entire email on to us plus the email from the business acknowledging your complaint as we need to see the dates these

were issued. Please note, if we review the document and deem it not to be evidence of raising a complaint, we may advise you to raise an official complaint with the business.

If you have received the final response letter from the business, please can you send us a full copy of that too. The final response letter will contain wording along the lines of: 'if you remain unhappy with our findings, you have six months from the date of our correspondence to refer your complaint to the Financial Ombudsman Service...'. If you received this via email, please could you forward the entire email on to us as we need to see the date it was issued.

There's no need to send us any original documents. Once we receive the requested information, we'll be in touch about what happens next.

If you'd like to talk through this, please give us a call on 0800 023 4567.

You can return the complaint form and any other documents to us by email at [complaint.info@financial-ombudsman.org.uk](mailto:complaint.info@financial-ombudsman.org.uk), or by post.

In the meantime, you can find out more about what to expect on our website - <https://www.financial-ombudsman.org.uk/consumers/expect>.

Please reply by 2 May 2025, using the reference number above. Just so you know, we won't take the complaint any further until we hear from you.

Kind regards

Dear Financial Ombudsman

You do appreciate that we all need to know what the Constitution of the United Kingdom is before conducting micro-level investigations with Ombudsmen taking over effectively the judicial role unless that is what the Constitution of the United Kingdom states subliminally.

In this regard, I am still in the process of determining how the judicial and law enforcement systems of the State of the United Kingdom functions and whilst I had misgivings earlier on that I was being discriminated against, a final decision can only be made by a Judge sitting in a Court who accepts that he or she has jurisdiction to assess the complications of this 27 year long Dispute that I have battled to stay afloat through.

At the point in time of sending you this email, I have three possibilities of court-proceedings that I initiated to seek material justice (J00ME572 at Medway County Court with a District Judge officiating), E35YM660 at the Central London County Court with a Circuit Judge officiating, and the CA-2023-000750 which is an Appeal process to the first two that is not converted to a full judicial process).

If the Financial Ombudsman knows where my litigations lie if at all they exist, I will be grateful if I am informed of this: it is now or never, as far as I am concerned.

Yours sincerely

These prods or worse, terroristic intrusions, give me the impression that 'perhaps it is never up, so publishing is essential to get it into the Court of Public Opinion and so that the State formulates an offence on the basis of these pre-emptive defences lodged', as updated in the link:

**The End is Nigh for the Persecutors, the unjust State Establishment**

in General Discussion

<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/the-end-is-nigh-for-the-persecutors-the-unjust-state-establishment>

I have explored all possibilities within the Constitution of the United Kingdom as to what is possible and what is not possible in mounting litigations and private prosecutions by a citizen against the Police for unjustified intrusions into our lives and it has become clear that the Police have unlimited powers to do what they wish to do, rightly or wrongly.

There is however the question of justice, when a person feels aggrieved that the Police have overstepped the boundaries of civil decency and one harbours a grudge in that the Constitution has failed to maintain a sense of proportion when dealing with the fact that the ideal way to be remains for me to represent myself to the world as a Conservative Libertarian.

The Police have not accepted this as the Establishment of the United Kingdom wishes everyone to fall into line to what it demands from the people. All my efforts to litigate Kent Police in the Kings Bench of the High Court under Claim No HQ17X01773 and subsequently under an Injunction application against the Chief Constable of Kent Police at Medway County Court under J00ME572 were thwarted. Similarly the private prosecution of Kent Police and the Crown Prosecution Service at East Kent Magistrates Court and Maidstone Crown Court both denied me the opportunity to highlight the shortcomings on the Police, if not wilful persecution that I had contended the State Establishment to have perpetrated on me going on to two decades since the University of Greenwich dismissed me from my scientific career without paying me my £55,000 redundancy payment.

The secretive Establishment of the United Kingdom established a fictitious organisation called Victims of Panigrahi Association (VOPA) to terrorise me with over 600 criminal anonymous emails sent to me, my wife, my relatives in India, my Consultant Psychiatrist, and other associates including members of staff of the Conservative and Unionist Party, staff of BLM Law, bp, educational establishments and my psychotherapist to disrupt my quest for justice by setting me up for mental hospital incarceration again after two such episodes of 2004 and 2008. All my efforts to get the Mental Health Tribunal to assess my mental condition to declare me sane failed and I still received on the report of the Consultant Psychiatrist last week that I have paranoid schizophrenia to be treated with mental health medications.

I finally decided that the Prime Minister of the United Kingdom had to be made accountable for the state of affairs with the Medical, Judicial and Law Enforcement processes of the United Kingdom and issued a Claim at the Central London County Court under E35YM660 to try and prove that the government was entirely to blame for not intervening on my behalf on the matter.

I could not get a Hearing of my grievances no matter how hard I tried, so that the State Establishment had apparently succeeded in quelling my bid for justice on the material front after the 26 years of struggle to fight for my reputation as a clean, honest and well-meaning individual.

But something happened on 5 October 2022 when I was caught speeding along the Boxley Road near Maidstone on the A229, which I attempted to discharge with the Speed Awareness Course and paid £92 for booking the Course on 11 January 2023. Later I wished to delay the Course because of legal proceedings that I had been embroiled in, but Kent Police would have none of it and cancelled the Course without refunding the £92 Course Fee. Barclays Bank has sent me detailed print out of my Bank Statements since that date to prove that the money was not refunded. I refused to pay the Fine for the Conditional Fixed Penalty Notice that Kent Police insisted. It organised a summons referral to Court for which a Hearing date has been fixed for 10 November 2023 2 pm.

Automatic reply: Dominique Cole at the ACO Leeds

(knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/automatic-reply-dominique-cole-at-the-aco-leeds?origin=notification>

I have written to North Kent Magistrates Court as in the link above to arrange a Conferencing Video Hearing, but the Court has not responded. I have also said to the Court that the Speeding Offence discharge matter is conflated with the wider victimisation and persecution of myself by the secretive State Establishment, and this is now something that I have factual evidence for after having been arrested five times with a sixth voluntary interview as a suspect for having committed offences like stalking, harassing and sending malicious communications to people and institutions. Kent Police manipulated the proceedings in complicity with the Community Mental Health Team over this period and the Duty Solicitors appointed for me in the interviews that took place since 16 September 2021.

So this morning I am determined that I will go to the Hearing on 10 November 2023 at 2 pm having accumulated all the evidence that I need now to explain the mitigating circumstances and the factual basis of the Case against me that has established the Trial of myself for the Speeding Offence of 5 October 2022.

Thus, the secretive Establishment has lost in that it is now fully exposed in a Court of law, having tried for 26 years to cover up the workplace harassment on me and the denial of my severance payment by the University of Greenwich.

Your Honour

These prods or worse, terroristic intrusions, give me the impression that 'perhaps it is never up, so publishing is essential to get it into the Court of Public Opinion and so that the State formulates an offence on the basis of these pre-emptive defences lodged', as updated in the link:

372. [https://archive.org/details/time-is-up-digital\\_20250403\\_1317](https://archive.org/details/time-is-up-digital_20250403_1317)

Please take a swift decision on Directions or Summary Judgment as the Costs for the Claimant is bound to increase further from the present £500 million from the UK-Treasury.

In anticipation, I remain.

The End is Nigh for the Persecutors, the unjust State Establishment  
in General Discussion

<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/the-end-is-nigh-for-the-persecutors-the-unjust-state-establishment>

I have explored all possibilities within the Constitution of the United Kingdom as to what is possible and what is not possible in mounting litigations and private prosecutions by a citizen against the Police for unjustified intrusions into our lives and it has become clear that the Police have unlimited powers to do what they wish to do, rightly or wrongly.

There is however the question of justice, when a person feels aggrieved that the Police have overstepped the boundaries of civil decency and one harbours a grudge in that the Constitution has failed to maintain a sense of proportion when dealing with the fact that the ideal way to be remains for me to represent myself to the world as a Conservative Libertarian.

The Police have not accepted this as the Establishment of the United Kingdom wishes everyone to fall into line to what it demands from the people. All my efforts to litigate Kent Police in the Kings Bench of the High Court under Claim No HQ17X01773 and subsequently under an Injunction application against the Chief Constable of Kent Police at Medway County Court under J00ME572 were thwarted. Similarly the private prosecution of Kent Police and the Crown Prosecution Service at East Kent Magistrates Court and Maidstone Crown Court both denied me the opportunity to highlight the shortcomings on the Police, if not wilful persecution that I had contended the State Establishment to have perpetrated on me going on to two decades since the University of Greenwich dismissed me from my scientific career without paying me my £55,000 redundancy payment.

The secretive Establishment of the United Kingdom established a fictitious organisation called Victims of Panigrahi Association (VOPA) to terrorise me with over 600 criminal anonymous emails sent to me, my wife, my relatives in India, my Consultant Psychiatrist, and other associates including members of staff of the Conservative and Unionist Party, staff of BLM Law, bp, educational establishments and my psychotherapist to disrupt my quest for justice by setting me up for mental hospital incarceration again after two such episodes of 2004 and 2008. All my efforts to get the Mental Health Tribunal to assess my mental condition to declare me sane failed and I still received on the report of the Consultant Psychiatrist last week that I have paranoid schizophrenia to be treated with mental health medications.

I finally decided that the Prime Minister of the United Kingdom had to be made accountable for the state of affairs with the Medical, Judicial and Law Enforcement processes of the United Kingdom and issued a Claim at the Central London County Court under E35YM660 to try and prove that the government was entirely to blame for not intervening on my behalf on the matter.

I could not get a Hearing of my grievances no matter how hard I tried, so that the State Establishment had apparently succeeded in quelling my bid for justice on the material front after the 26 years of struggle to fight for my reputation as a clean, honest and well-meaning individual.

But something happened on 5 October 2022 when I was caught speeding along the Boxley Road near Maidstone on the A229, which I attempted to discharge with the Speed Awareness Course and paid £92 for booking the Course on 11 January 2023. Later I wished to delay the Course because of legal proceedings that I had been embroiled in, but Kent Police would have none of it and cancelled the Course without refunding the £92 Course Fee. Barclays Bank has sent me detailed print out of my Bank Statements since that date to prove that the money was not refunded. I refused to pay the Fine for the Conditional Fixed Penalty Notice that Kent Police insisted. It organised a summons referral to Court for which a Hearing date has been fixed for 10 November 2023 2 pm.

Automatic reply: Dominique Cole at the ACO Leeds  
(knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/automatic-reply-dominique-cole-at-the-aco-leeds?origin=notification>

I have written to North Kent Magistrates Court as in the link above to arrange a Conferencing Video Hearing, but the Court has not responded. I have also said to the Court that the Speeding Offence discharge matter is conflated with the wider victimisation and persecution of myself by the secretive State Establishment, and this is now something that I have factual evidence for after having been arrested five times with a sixth voluntary interview as a suspect for having committed offences like stalking, harassing and sending malicious communications to people and institutions. Kent Police manipulated the proceedings in complicity with the Community Mental Health Team over this period and the Duty Solicitors appointed for me in the interviews that took place since 16 September 2021.

So this morning I am determined that I will go to the Hearing on 10 November 2023 at 2 pm having accumulated all the evidence that I need now to explain the mitigating circumstances and the factual basis of the Case against me that has established the Trial of myself for the Speeding Offence of 5 October 2022.

Thus, the secretive Establishment has lost in that it is now fully exposed in a Court of law, having tried for 26 years to cover up the workplace harassment on me and the denial of my severance payment by the University of Greenwich.

Dear Ali Dubai

### **04 April 2025: MODUS OPERANDI OF CONSERVATIVE LIBERTARIANS**

Hello Hope you are keeping well.

This Welcome Pack communication is just to welcome you to our Community of Conservative Libertarians.

The Conservative Libertarians (UK) is permitted by virtue of the fact that both its Membership Accounts are validated as things stand this moment in time for these are funded by the Conservative Libertarian Publications Limited and the Membership accounts are held at JOIN IT and Brilliant Directories: this means that the Company can proceed with a business as usual modus operandi, in the absence of an adjudication from the Court authorities specifically who

were approached by the Director at Medway County Court (Claim J00ME572) and Central London County Court (Claim E35YM660) and the Appeal of these Court proceedings at the Court of Appeal of the United Kingdom (Appeal Case No CA-2023-000750). who are copied into this email for jurisdiction-ascertaining purposes.

The technical details of what the institution of Conservative Libertarians stand for are as follows: There are so many things wrong with the deeply and multi-polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b) For those people of other countries who share the philosophy of Conservative Libertarians you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

Dear Stripe

Rightly or wrongly I was complaining that Stripe Payments Limited Ltd had terrorised me to sabotage The Conservative Libertarian Publications Limited for a period of 9 months from July 2024 to March 2025 partly in collaboration with JOIN It Company before my complaints to the Financial Ombudsman and the publishing of this seeming terror on me seemed to have facilitated the existence of my two Stripe Accounts for JOIN IT and BRILLIANT DIRECTORIES; so this is some compensation now that the red herring of Charity Registration has been disposed off (FrStripe(Duplicitous &Deceitful Prevarication with no substance email)28Dec2024.docx attached).

The following correspondence has did not also receive an explanation of Stripe Contact Support Dispute Deposition of 30 December 2024.docx to exacerbate my suspicions about Stripe working in collusion with the Monarchical State Establishment.

As you can see from the attached email ToFinancial Ombudsman (It is now or never\_JurisdictionSubliminalorJudicial)2Apr2025.docx

I hope to receive some clarification from Stripe as to the way this Dispute should proceed.

Dear Dr Panigrahi

The Conservative Libertarian Publications Limited's complaint about Stripe Payments UK Limited

Thanks for getting in touch with the Financial Ombudsman Service. We've set up a case for you – the reference number is PNX-5264338-J6D2. Please use this number whenever you contact us.

Before we can get involved, Stripe Payments UK Limited needs a chance to give you an answer on your complaint.

We can only look into complaints where you've received a final response letter from the business you're complaining about, or where the business hasn't responded within our time limits. If you submit a complaint to us before this, we won't be able to get involved and it will take us a lot longer to progress your complaint.

What you'll need to do

You should complain directly to Stripe Payments UK Limited, explaining what the problem is, and how you'd like them to put things right.

If you've already complained to Stripe Payments UK Limited, in most cases they have up to eight weeks, to look into your complaint and issue their final response, depending on what

you're complaining about. You should keep a record of when you complain to them, and any other correspondence or conversations.

In the meantime, you can find out more about how to complain on our website.

When you've heard back from the business – or eight weeks have passed from the date you first complained – if you remain unhappy, get back in touch using our online form or call us on 0800 023 4567 and we'll let you know how we can help.

We won't take the complaint any further at this stage.

Kind regards

Dear Stripe

Is there any update on this from the Court of Appeal on this Saturday morning? - I do not play games. There are very serious matters involved in this litigation which the Financial Ombudsman too has failed to address, and so all 6 Banks who were engaged by the Monarchical Establishment to torture me through various means are going scot-free. I have had nothing but email/paper shuffling by these Banks over these years, most lately from Santander Bank yesterday.

The Financial Ombudsman knows as does the Court of Appeal that nothing short of £500 million in damages and compensation would satisfy me in my quest for material justice.

Yours sincerely

Dr Shantanu Panigrahi

Conservative Libertarians believe in truth, justice and democracy whereas Donald Trump represents the antithesis of these values.

It was utterly wrong to side with Russia the aggressor in the conflict with Ukraine in the war that has all but destroyed the infrastructure of the invaded country.

Donald Trump should not be invited to a State-visit to the United Kingdom unless his values are in tune with those of the United Kingdom in terms of foreign policies.

Sir

Your annoyance of terrorism set out on the legitimate business of the Conservative Libertarian Publications Limited was totally out of order and is hereby reported to Kent Police for an international warrant for your arrest and transportation to the United Kingdom to face a criminal court.

I am aware that you are one of around 5000 individuals acting singly or as part of an institution who have acted in synchrony to terrorise me in the United Kingdom as part of religious persecution, the details of which will be submitted to Medway Magistrates Court.

Kent Police, Crown Prosecution Service and Medway Magistrates Court are copied into this email of the PROCESSION TO THE NEXT STAGE, of my private prosecution that rightly employs the services of the Law Enforcement authorities of the United Kingdom.

(4) Details of the alleged offence(s)

CrimPR 7.3 requires that an allegation of an offence in an application for the issue of a summons or warrant must contain (a) a statement of the offence that (i) describes the offence in ordinary language, and (ii) identifies any legislation that creates it; and (b) such particulars of the conduct constituting the commission of the offence as to make clear what the prosecutor alleges against the defendant.

The series of Chief Constables of Kent Police from 1999-2020 oversaw the systematic Hate Crime perpetrated against me by the Security Services of the United Kingdom and the Pentagon of the United States of America to terrorise me and obstruct justice in the Civil Courts of the United Kingdom as well as the Mental Health Tribunals where I am detained (first as in a Secure Ward of the Mental Hospital in Ashford and the Littlebrook Dartford mental hospitals in 2004) as a political prisoner for my religious beliefs of Brahmoadvaita sect in Hinduism practicing Brahmanism in the understanding that dharma rakshati rakshita. Kent Police covered up the 1500-odd national and international criminals who terrorised me over this period starting with

the University of Greenwich which withheld my £55,000 redundancy payment from my scientific job at the Natural Resources Institute in 1998 under the false charge of gross misconduct supposedly in the Brahmoadvaitc-proportionate and physically non-violent protestation of my innocence to probe out whether the University was racist and subjected me to unfair dismissal for retaliation over the continuous 1-year of work-place intimidation, harassment, bullying, covering up criminal activities and perverting justice by calling in the Mental Health Institutions of the State to label me with paranoid schizophrenia and persistent delusional disorder and possibly autism, none of which is true because I am not only the sanest person in the world today but ever in having constructed Green Socialism to prevent the planet entering into decades of depression of depreciation of natural resources, biodiversity and loss of soil nutrients from the intensive global agricultural and humanity practices that are monocultural in conception from the United Nations and has to feed an ever-burgeoning human population.

The Prime Minister of the United Kingdom mobilised the international community of moronically-governed States of the United Nations to prevent me from getting asylum away from these 23 years of State-organised persecution for my religious beliefs, and I was harassed by emails by North Yorkshire Police and West Yorkshire Police to try and make me Stateless. Over 800 criminal anonymous emails were sent to me and my associates to disrupt my employment work to be able to earn a living in the United Kingdom and Boots the Chemists in particular sent me cryptic messages to get me booted out of the United Kingdom with the complicity of the Indian Immigration Visa Services-sent emails to return to India on my British Passport where I would then be terrorised further by the Indian government for my religious pre-occupations of dharmayudha to better our lives in this generation as well as for all future generations of mankind.

The case for damages and compensation for £50 million pounds to be credited to my NatWest Account by His Honour Judge HHJ Parfitt of the Central London County Court was never dismissed but adjourned pending what, I do not know, possibly on the false pretence that psychiatric reports were needed on me before a Judgment could be delivered, according to the results of the Appeal I lodged in the Supreme Court in my 5 September 2020 to name the Master of the Court of Appeal who had deceitfully and deviously disposed-off my permission to Appeal the adjournment of the E35YM660 Claim against Mrs Theresa May and now the present Prime Minister Mr Boris Johnson.

This morning my latest attempt to find a solicitor after over 50 such attempts (as below) received no reply, which has all been covered up by the Legal Ombudsman against whom I asked Malcolm Dodds of North Kent Magistrates Court several years ago to initiate that private prosecution; and also against the Solicitors Regulation Authority and the Centre for Effective Dispute Regulation which have also not considered my requests to intervene in this matter:

In summary, the Chief Constable of Kent Police must be summoned today to put forward his defence of why he had not taken out criminal-prosecutions with the Crown Prosecution Service against these national and international humanimals who have committed this extensive Hate Crime on me under the auspices of the functionality of the Brahma-Nature conspiracy theory of mine. The Crown Prosecution Service over these years covered up the disgraceful conduct of these Chief Constables since I first reported the matter a decade ago (I cannot trace the correspondence because it was publicised in my Blog <https://shantanup.wordpress.com> and stored there but the criminals archived and suspended this Blog that was entitled 'Knowledge for World Conservation').

Please act quickly, for I fear that the Mental Health authorities will send in their Mental Health Team today to cart me away to the Mental Hospital to deprive me of my remaining liberty to enjoy life in the freedom and security of my family in Shanti Niwas.

Thank you, Sir/Madam.

(5) Summary of the circumstances

CrimPR 7.2(6) requires that an application for the issue of a summons or warrant for arrest must concisely outline the grounds for asserting that the proposed defendant has committed the alleged offence or offences. Summarise your grounds for alleging that the proposed defendant has committed the offence(s) for which you want the court to issue a summons or warrant. Give an indication of the evidence on which you will rely if the court agrees to do so.

I have tens of thousands of email communications that I have saved in a dozens of hand-written Diary Files at home and associated correspondence Files that I will bring to the North Kent Magistrates Court for the consideration of the Magistrates and which are available now if the Court issues the summons applied for first.

Dear indeed,

1. I do hope that the attached tentative enquiry has not broken any promises that I have made to Her Majesty the Queen to abide by all the cultural norms of the United Kingdom in accordance with my commitments to the 1984 Naturalisation Ceremony for British citizenship, and thereby to adhere strictly to the letter and the spirit of the agreement now reached with the unanimous decision of the Justices of the Supreme Court of the United Kingdom in relation to my 5 September 2020 Appeal (attached: ToSupremeCourt5Sep2020.docx) by writing to Tesco as attached: ToTescoSupermarkets(jobs)27Feb2021.docx. We will let Wordpress do what it wishes to on the restoration of my cherished Blog <https://shantanup.wordpress.com> as I wish to reduce my costs of the litigation on account of lack of financial resources to pursue the Claim with no Legal Aid in sight for the Claimant of E35YM660:

ToStatusSolutionsUKLtd(ImmigrationLawyers)26Feb2021.doc; so I must finally completely abandon my pursuit of justice in a civil and a criminal court of the United Kingdom or in an Indian Court of Justice immediately.

2. Incidentally, my wife is saying to me when I told her that I passed another job questionnaire for Tesco not to build up my hopes too much. There is also the question of whether my Consultant Psychiatrist who I really do like a lot, Dr F Odesanya at Britton House, Gillingham, Kent, will question me as to why I have applied for this job or at least trying to apply in relation to his advice to me, which my wife does not really agree with because she thinks work will be therapeutic for me, especially the Maidstone Tesco Extra job. So I am copying this email to KMPT to keep Dr Odesanya informed, even on this Saturday, with regard to the attached request for a medical review, that is urgent from my point of view if I am to progress my rehabilitation into society: FrKMPTPALS(LoisDerham)25Feb2021.docx.

3. I will also look through any other possible jobs from the current list that are within easy traveling distance to my home, if that is all right with you: please advise without any kind of delay.

Yours sincerely

Dr Shantanu Panigrahi, 3 Hoath Lane, Wigmore, Gillingham, Kent ME8 0SL, Tel: 07967789619.

PS: Incidentally, and I almost forgot, please forward my passport 2020-11-27\_090339

ShantanuPassport.pdf to Tesco immediately for I do not have their email address: the ones I have are 'no reply' ones it seems.

Dear Madam

1. "The Crown Prosecution in Kent failed to provide any legitimate reasons not to conduct a prosecution against the Chief Constable for being part of intense and widespread conspiracy in the perpetration of a Hate Crime against me with the collusion of the Magistrate in North Kent Magistrates Court in Chatham Kent, directly, and on my personal application for Summons on the Chief Constable dated 27 October 2021 that was updated this evening at 19.54 hours. Around 50 lawyers and law-firms, as well as His Honour HHJ Parfitt and his predecessor Her Honour Judge Backhaus were the last Central London County Court Judges who were complicit in this hate crime that involved Dr Odesanya, the Consultant Psychiatrist at Britton House, Gillingham, Kent."

Compensation Demand from the Crown Prosecution Service:

£50 million sterling in damages and compensation for 23 years of State-organised religious persecution of a Vaishnavist.

2. There were altogether 1500 criminals listed in the Claim Form E35YM660 including the Chief Defendant, the Prime Minister, Mr Boris Johnson, whom the Crown Prosecution Service deliberately protected in complicity with the full set of Justices in the Supreme Court of the United Kingdom, as you will note from the Summons for private prosecution that I submitted to North Kent Magistrates Court: APPLICATION FOR SUMMONS\_-1(Apply27Oct2021).doc; in connection with a private prosecution initiated as a counter prosecution of an Appeal Mention to Fix Hearing to hear the matter at Maidstone Crown Court relating to false and fabricated Speeding offence mounted on me by Kent Police when I had clearly admitted that speeding took place and I wished to take the route of attending a Driving Course for a clean driving record without any penalty points and no fines to be paid. I was then set upon by an organisation calling itself 'Victims of Panigrahi Association' who tried to make me 'Stateless' with no employment rights and embezzlement of £8000 of my lifesavings held in Santander Bank, where I had two accounts and not only was the online Access blocked three months ago under the pretences that the Bank was conducting Security investigations on the account, the Bank stopped me from withdrawing my own Current Account money on which I spoke to Colette of Santander Bank this morning on the telephone when I again failed to get even £20 out earlier on today and she said that she was sending this update to Santander's Security investigator but no one called me back on the telephone and no emails have been received. The embezzlement of the funds of The Conservative Libertarian Society and its offshoot The Conservative Libertarian Party of the United Kingdom to which I had donated the £8000 three months ago was blocked hence to stop me from engaging in political activities in this country and abroad:

[https://theconservativelibertariansociety.com](https://theconservativelibertariansociety.com;);

<https://theconservativelibertarianpartyoftheunitedkingdom.com>. It was a giant conspiracy as the attached summons have still not been issued and served and no explanation provided to me under false and deceitful pretences as the attached email shows:

FrNorthKentMagistratesCourt2Jun2020.docx.

3. I am a layman but do know that the Chief Justice of the Supreme Court is not beyond the law and must be prosecuted as a conspirator with the Chief Constable of Kent Police by the Crown Prosecution Service. This is my demand if the £50 million is not credited into my NatWest Bank Account by mid-day tomorrow (Account Sort Code 60-17-44; Debit Card No 4751 2902 3982 1523).

4. Madam, at this point in time I am being persecuted by indeed of Ireland non-stop as supposedly an agent of the Supreme Court Justices to bully, intimidate, harass and obstruct me

into seeking truth as a satyagrahi to pervert the course of justice. If I receive any further intrusions into my privacy I will forward them to you. Please let me know what the Crown Prosecution Service has now decided as I cannot find their email number ready to hand.

5. You have been informed madam, I as President of the Society believe in Law Enforcement and Law Abiding and am a Law Assistant as an Associate of the Law Enforcement authorities that my religion compels me to that you can read here:
